Subject: Final Approval of Permit and Permit Transfer, Staker and Parson Companies, Rocky Point Mine, M/003/0079, Box Elder County, Utah

Dear Mr. Clark:

On May 26, 2011, the Director of the Division of Oil, Gas and Mining approved the surety and reclamation contract for the transfer of the Notice of Intention to Commence Large Mining Operations (NOI) for the Rocky Point Mine from Marriott Rock Products, LLC. to Staker and Parson Companies. You are now solely responsible to conduct mining and reclamation operations as outlined in the approved Notice of Intention. Marriott Rock Products, LLC. is hereby released from any further reclamation liability under this permit.

This approval of the transfer also addresses final approval of the original NOI submitted by Marriott. Along with the transfer form, you provided an amendment to the NOI which includes the merger of the Hot Springs (S/003/0073) and Hot Springs #2 (S/003/0078) mines into the Rocky Point Mine (M/003/0079). The surety provided was determined to be adequate for this merger. The files for the Hot Springs #1 and #2 mines will now be closed and the sureties you provided for these two operations will be released.

Thank you for patience in completing this permit transfer. Please refer to file M/003/0079 in any correspondence regarding this operation. If you have questions regarding this letter, please contact Paul Baker at 801-538-5261 or Lynn Kunzler at 801-538-5310.

Sincerely,

Dana Dean, PE
Associate Director, Mining
